Building Tomorrow's Business Leaders Today

Legal Minefield!

To stay competitive in today's economy, we know you must have employment law expertise to prevent lawsuits and avoid costly litigation. Unfortunately, the cards seem to be stacked against the employer! Not only is the workforce more litigious than ever before, but there are more than 7,000 state and federal statutes and regulations combined, which create a legal minefield for the unwary employer.

The "Human Resources" Experts

PTI knows and understands these pitfalls. That's our business! To help you, our customer, we have developed a highly specialized Human Resources staff of employment law professionals who focus on every aspect of personnel and business law. We are pleased to offer our in-house experts to help you meet your Human Resource needs!

Real-World Solutions

PTI will bring our consultation services to you! We provide on-site training to educate your entire management staff. And we keep you posted of any important changes in laws and regulations. It's easy to access our wealth of **Employment Solutions**—just call us at 866.456.TRAIN (8724)!
